Total Units:12Total Unit Strength:24

Total Points:2300

Command Order	Target	Description
Tenacity!	3	The unit may re-roll a single failed to hit roll in Combat this Turn. It cannot be used to re-roll a dice for an attack that has the Blast special rule.
Tactical Retreat!	4	If the unit performs a Back! order, it may move up to its Sp value, but may not make any pivots. This order may not be issued to a unit carrying a Loot Counter.

Fear the Darkness	5	The unit gains the Dread special rule.
Flesh Hooks	4	Units with the Dark Kin Trait only. Enemy units Engaged to the front facing of this unit, cannot Withdraw! and lose 3 Attacks to a minimum of 1. This lasts until the start of this unit's (with the order) next Turn.

Special Rule	Description
Broadside	When using a ranged attack that has this special rule, this unit uses its left or right flank arcs in place of its front arc (depending on where the target is).
Brutal (n)	When testing the Nerve of an enemy unit in Combat with one or more of your units with this rule, add the highest Brutal (n) value to the total rolled. If an enemy unit is subject to both the Brutal and Dread special rules, the attacking player must choose which to use. Both cannot be applied against the same unit at the same time.
Crushing Strength (n)	All hits caused by attacks from this unit in Combat have a (+n) modifier when rolling to damage. For example: when rolling to damage in Combat with an attack that has Crushing Strength (1), a roll of 4 would become a roll of 5.
Elite	Whenever the unit rolls to hit, it re-rolls all dice that score a natural, unmodified 1. Elite may specify which phase it is limited to: e.g. Elite (Ranged) means the rule applies only in the Ranged Phase.
Ensnare	In Combat, attacks against this unit's front suffer an additional -1 to hit.
Essence of the Bloodshrine	After rolling to hit with Enthral, Hex, Weakness or Wind Blast, additionally roll to damage the target unit for each hit scored.
Fearless	When taking Nerve tests, this unit treats Wavering as Steady.
Fly	When executing an order other than Withdraw!, the unit can move and pivot over anything (Blocking Terrain, enemy units, friendly units when charging, etc.), as long as the flying unit's entire Movement Order ends clear of any units or Blocking Terrain. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it starts or ends the move within or touching them.
Individual	This rule is explained on page 42.
Inspiring	If this unit, or any friendly unit within 6" of this unit, suffers a Wavering or Rout result (including when attempting to Withdraw!), that Nerve test must be rerolled. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Phalanx	Cavalry, Large Cavalry, and units with the Fly special rule that Charge this unit's front are Hindered.
Piercing (n)	All hits caused by Ranged attacks from a unit or weapon with this special rule have a (+n) modifier when rolling to damage. For example: when rolling to damage with a Ranged attack that has Piercing (1), a roll of 4 would become a roll of 5.
Rampage (n)	When attacking an enemy unit with the Infantry, Heavy Infantry, Cavalry or War Engine unit type, a unit with this special rule gains (n) additional attacks. If Engaged with several qualifying units, choose which one unit the bonus attacks are allocated to.
Regeneration (n)	Once per Turn, immediately before resolving the unit's Movement order, roll a number of dice equal to the amount of damage currently on the unit. For every result of (n) or higher, the unit recovers one point of damage previously suffered.
Stealthy	Enemy units making Ranged attacks against this unit suffer an additional -1 to hit modifier.
Strider	This unit's Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.
Thunderous Charge (n)	If the unit has made a Charge! into Combat this Turn, all hits inflicted in Combat by this unit have a (+n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any). However, the unit loses this bonus when Hindered.
Wild Charge (n)	Units with this special rule add (n) to their charge range. This is added after Sp is doubled. For example, a unit with a Sp stat of 4 and Wild Charge (2) can Charge units up to 10" away. In some instances, the (n) value may be a variable die roll (e.g. Wild Charge (D3)). In these cases, roll a separate D3 for the unit after issuing a Charge order to it. If the number rolled means that the target unit is not in range to complete the charge, your unit must be given a different order, but cannot select an alternative unit to Charge!
Yielding	Both friendly and enemy units can always choose to ignore this unit, just as if it was not there, when moving and shooting (even if Engaged with it). They must however still end their Movement Order clear of this unit. It is assumed that the Yielding unit moves aside and lets the enemy pass by before returning to its position. If your unit(s) Routs a Yielding unit and chooses to move Forward!, and this random movement would bring them into contact with another enemy unit, treat this as a successful Charge against the facing that your unit(s) started its Forward! move in (if possible, otherwise against the facing contacted). If the Forward! move took your unit(s) over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing Combat as normal.

Spell	Description
Bane Chant Range: 12" Friendly, CC	If any hits are scored, instead of causing damage, for the rest of the Turn the unit gains Crushing Strength (+1). This effect only applies once – multiple castings on the same target have no additional effect.
Weakness Range: 24" CC	If any hits are scored, instead of causing damage, the target unit is Weakened until the end of its next Turn. Weakened units have a -1 modifier when rolling to damage enemy units (any rolls the unit makes of natural six will still cause damage, however). This effect only applies once – multiple castings on the same target have no effect.

Artefact	Description
Fire-Oil	The unit gains both the Crushing Strength special rule (+1 vs. units with Regeneration) and the Piercing special rule (+1 vs. units with Regeneration).
Sir Jesse's Boots of Striding	Once per game, this unit gains both the Pathfinder and Strider special rules until the end of the Turn.
Brew of Strength	The unit gains the Crushing Strength (+1) special rule.
Brew of Sharpness	The unit has a +1 to hit modifier with Combat attacks.
